Please also note that medical facilities on OHP are limited. Any cadet requesting accommodations for medical reasons, or planning to report with medications, must submit an updated NSCADM001 pages 3-4 and 7-8 to me before a billet will be confirmed. Parents: you are responsible for disclosing any and all medical and psychological conditions of Cadet Participants, and any prescription requirements and the side effects thereof, to me prior to the training. I am responsible for your children while they are on the ship, so I must know what I'm dealing with.
3. ***Service Jacket.*** Please make sure that your service jacket is up to date, especially your NSCADM020 & NSCADM021 (Medical History and Physical Forms). Also, be sure to include a copy of your insurance card and your NSCC ID card as put forth in NSCC Action Letter 14-98. You should also make sure that the person you have listed as an Emergency Contact on your NSCTNG001 would be available during the time you are at

the training site. We need to make sure that the person to be contacted will not be on vacation or away, in the unlikely event that we need to contact him/her.

4. ***Working uniforms.*** For the training, working uniforms will be one NWU uniform and appropriate civilian attire
5. ***Discipline.*** This is a military training on board Sailing School Vessel. Discipline will be enforced. Minor infractions will be dealt with per the nature of the infraction, but any of the following behaviors will be grounds for summary dismissal: If a cadet has to be removed from the voyage the pick up location could be a location other than the debarkation location.
 - Hazing, sexual harassment, prejudicial language or behaviors, or fraternization
 - Fighting
 - Tobacco, alcohol, or substance abuse
 - Violations of good order and discipline that threaten the efficacy of training
 - Any cadet dismissed for disciplinary reasons will incur all costs for their travel home.
6. ***Contact Information.*** You will need to include your e-mail address and parent's email, if you have not already indicated one on your NSCTNG001, that way I can send information regarding the training to parents and Cadets without using the time or money necessary for the US Postal Service.
